INDEX TO VOLUME 93

POSTGRADUATE MEDICINE

JANUARY-JUNE 1993

SUBJECTS

ACCIDENT PREVENTION
• Seat belts and child safety seats. (PN) 93(3):159
ACNE
• Flare-ups with inappropriate use of topical corticosteroids. (CR) 93(5):225
• Patient information. (PN) 93(5):286
ACQUIRED IMMUNODEFICIENCY SYNDROME (AIDS)
• Effects on gastrointestinal system, evaluation and treatment. 93(2):143*
• Evaluation of HIV-infected patients, checklist, counseling guidelines. 93(4):101*
• High-risk group for tuberculous infection. 93(3):54
• HIV-related rheumatic syndromes. 93(8):143*
ADOLESCENT MEDICINE: See Pediatrics
AGING
• Alcoholism in elderly, increasing early detection. 93(2):203*
• Gait disorders in elderly, age-related changes leading to ambulation problems. 93(6):185*
• Geriatric psychopharmacology—treatment of psychiatric disorders and risk of drug interactions. 93(4):281*
• Impotence, therapeutic options. 93(3):65
• Nursing home residents and antibiotics, ways to eliminate inappropriate use. 93(8):173*
• Osteoporosis in men, causal factors, treatment regimens. 93(8):59*
• Primary osteoporosis, evaluation and treatment, prevention. 93(8):43*
• Skin changes caused by sun damage, preventing photoaging. 93(8):74*
• Special considerations in long-term treatment with nonsteroidal anti-inflammatory drugs (NSAIDs). 93(4):94
• Women over age 75, common gynecologic problems, management with compassion and understanding. 93(5):263*
• Wrinkles. (PN) 93(8):265
AIDS: See Acquired immunodeficiency syndrome (AIDS)

*Major clinical discussion
CR, Case Report
ED, Editorial
MEM, Memories Worth Sharing
PH, Physician-at Large
PN, Patient Notes

ALCOHOL
• Ingestion by diabetics, risk for hypoglycemia. 93(3):132
ALCOHOLISM
• In elderly, increasing early detection. 93(2):203*
ALLERGY
• Allergic rhinitis, preparing comprehensive treatment plan to allow unrestricted living. 93(6):124*
• Case of pigeon-breeder's lung, clinical features, diagnosis, and management. (CR) 93(4):215
• Food, symptoms, evaluation and diagnosis, and preventive and treatment measures. 93(2):191*
• To insect stings, guidelines for management. 93(8):197*
ANAPHYLAXIS
• Prevention in patients with allergy to insect stings. 93(8):197*
ANEMIA
• Iron deficiency, problem areas in diagnosis and treatment. 93(4):181*
ANKLE
• Injuries, evaluation and management tips from sports medicine physicians. 93(3):91*
ANXIETY
• In elderly, pharmacotherapy. 93(4):286
ARTHRITIS: See Rheumatic diseases

BEHAVIOR DISORDERS
• Pathological gamblers, identification and treatment. 93(5):169*
BITES AND STINGS
• Animal bites, diagnosis and treatment. 93(6):179
• Human bites, diagnosis and treatment. 93(6):181
• Insect stings, allergic reactions, guidelines for management. 93(8):197*
BLEEDING: See Hemorrhage
BLOOD
• Transfusion reactions, emergency treatment measures. 93(5):183*
BLOOD GLUCOSE
• Effect of certain prescription and over-the-counter medications. 93(3):131
• Glucose intolerance, implications of obesity, inactivity, smoking, and antihypertensive treatment. 93(7):99*
BLOOD PRESSURE
• Measuring in obese patients. 93(4):194

CALCULI
• Biliary, medical management options, role of laparoscopic cholecystectomy in treatment. 93(1):183*
CANCER: See Neoplasms
CARDIOVASCULAR DISEASES
• Aortic regurgitation, differences between acute and chronic disease, management. 93(6):83*
• Aortic valve stenosis, management in children and adults. 93(6):107*
• Aortoenteric fistulas, cause of gastrointestinal bleeding, identification and treatment. 93(8):211*
• Atherosclerosis, risk factors for, role of insulin resistance. 93(7):103
• Congestive heart failure, role of aldosterone. 93(5):203*
• Coronary artery bypass graft surgery, tips for follow-up care by primary care physicians. 93(4):249*
• Endocarditis, changing trends in epidemiology, current diagnostic techniques and treatment regimens. 93(5):235*
• Hypertension in obese patients, weight loss and pharmacotherapy. 93(4):193*
• Hypertension in patients with diabetes, what to consider when selecting antihypertensive agents. 93(5):89*
• Hypertensive emergencies, treatment by gradually reducing blood pressure and treating organ damage. 93(2):92*
• Mitral valve prolapse, auscultatory and echocardiographic diagnosis, follow-up for complications. 93(6):63*
• Pulmonary edema, distinguishing between cardiogenic and noncardiogenic causes. 93(6):161*
• Rheumatic mitral stenosis, diagnostic procedures, medical and surgical goals of management. 93(6):93*
• Right ventricular infarction, aids to recognition. 93(7):117*
• Sudden cardiac death and cardiopulmonary resuscitation, new and controversial techniques. 93(8):235*
• Thromboembolic disease in patients with cancer. 93(8):131*
• Vascular disease causing impotence. 93(3):65
• Wegener's granulomatosis, case of atypical patient with typical symptoms. (CR) 93(1):213
CONTRACEPTIVES
• At school clinics, sex education or encouragement—searching for the right answers. (ED) 93(5):21

DEATH/DYING
• Dehydration in terminally ill patients, potential benefits. 93(1):201*
DEHYDRATION
• Palliative, in terminally ill patients, three cases illustrate potential benefits. 93(1):201*
DELIVERY OF HEALTHCARE
• Hillary Clinton and healthcare reform. (ED) 93(3):13
• Planning healthcare reform without involving physicians. (ED) 93(6):21
• President Clinton's new health team. (ED) 93(1):25
• Those shaping healthcare reform in Washington. (ED) 93(4):19
• Washington arrogance and healthcare reform. (ED) 93(7):13
DEPRESSION
• In elderly, risks with psychotropic medications. 93(4):294
• Postpartum, recognition and treatment. 93(3):103
DIABETES
• Drug interactions, agents associated with hypoglycemia and hyperglycemia. 93(3):131*
• Nephropathy, preserving kidney function. 93(5):89*
DIAGNOSTIC TECHNIQUES
• Adrenal function studies in diagnosis of Addison's disease. 93(4):265*
• Auscultatory and echocardiographic diagnosis of mitral valve prolapse. 93(6):64
• Confirming allergic rhinitis by skin testing and nasal smears. 93(6):126
• Esophageal manometry in diagnosis of achalasia. 93(5):250
• In diagnosis of viral pneumonia. 93(7):59
• In evaluation of ankle injuries. 93(3):97
• Spirometry, guide to technique and interpretation of results. 93(5):122
DIARRHEA
• In AIDS patient, evaluation and treatment. 93(2):143
DRUG INTERACTIONS
• In elderly treated for psychiatric disorders. 93(4):281*
• In patients with diabetes, agents associated with hypoglycemia and hyperglycemia. 93(3):131*
DRUG THERAPY
• Experimental therapies for rheumatoid arthritis. 93(7):137
• For osteoarthritis and rheumatoid arthritis, updated information. 93(7):129*

continued

DRUGS, ANALGESIC
• Acetaminophen, for pain in osteoarthritis. 93(1):90
• For acute benign recurrent headache. 93(1):225
• Narcotic, for postoperative pain. 93(2):178
• Nonnarcotic, for postoperative pain. 93(2):177
DRUGS, ANTACID
• Over-the-counter, chronic abuse resulting in milk-alkali syndrome. (CR) 93(6):149
DRUGS, ANTIBIOTIC
• For bacterial pneumonia. 93(7):49
• For nursing home residents, ways to eliminate inappropriate use. 93(8):173*
• For pharyngitis in children. 93(3):142
• For three common atypical pneumonias. 93(7):69
• For treatment of sinusitis. 93(1):115
• In treatment of meningitis in adults. 93(1):109
• Increasing resistance of enterococci. 93(3):124
• Prophylactic treatment for children with acute otitis media with effusion. 93(5):153
• Role in acute interstitial nephritis. 93(5):112
• Synergistic combinations of broad-spectrum antimicrobials for treating enterococcal infections. 93(3):128
DRUGS, ANTICOAGULANT
• Prophylaxis of venous thrombosis in patients with cancer. 93(8):138
DRUGS, ANTIHISTAMINE
• For allergic rhinitis. 93(6):127
DRUGS, ANTIMICROBIAL
• For common bacterial skin infections. 93(6):175
DRUGS, ANTISECRETORY
• For peptic ulcer disease. 93(4):137
DRUGS, ANTIVIRAL
• For viral pneumonia. 93(7):60
• Ribavirin for respiratory syncytial virus (RSV) infection. 93(1):137
DRUGS, BENZODIAZEPINE
• For insomnia. 93(1):75
DRUGS, CONTRACEPTIVE
• Oral, noncontraceptive benefits. 93(1):193*
DRUGS, CORTICOSTEROID
• For arthritis, update. 93(7):132
• Intra-articular, for osteoarthritis. 93(1):90
• Topical, case of "addiction," cause of perioral dermatitis. (CR) 93(5):225
DRUGS, DISEASE-MODIFYING ANTIRHEUMATIC
• For rheumatoid arthritis, new line of thinking. 93(7):132
DRUGS, ERGOTAMINE DERIVATIVE
• For headache therapy. 93(1):230
DRUGS, HORMONE
• Estrogen in treatment of osteoporosis. 93(8):53
• Thyroid, appropriate and inappropriate use. 93(1):249*
DRUGS, MUCOSAL PROTECTIVE
• For peptic ulcer disease. 93(4):137
DRUGS, NONSTEROIDAL ANTI-INFLAMMATORY (NSAIDs)
• For rheumatic diseases and pain syndromes, tailoring therapy for best results. 93(4):73*
• In treatment of osteoarthritis. 93(1):89*
• Long-term use cause of iron deficiency anemia. 93(4):181*
• Role in acute interstitial nephritis. 93(5):117
• Updated information on arthritis treatment. 93(7):129
DRUGS, PSYCHOTROPIC
• Adverse drug reactions in the elderly. 93(4):281*
DRUGS, SALICYLATE
• Effect on blood glucose levels in patients with diabetes. 93(3):135
DRUGS, SIDE EFFECTS
• Acute interstitial nephritis from antibiotics or NSAIDs. 93(5):112
• Toxicity of long-term therapy with nonsteroidal anti-inflammatory drugs (NSAIDS). 93(4):79
DRUGS, THROMBOLYTIC
• For right ventricular infarction. 93(7):120
DRUGS, VASODILATOR
• Intravenous, for reducing blood pressure in hypertensive emergency. 93(2):95

EAR DISEASES
• Otitis media in children, rationale for medical and for surgical treatment. 93(5):153*
ECHOCARDIOGRAPHY
• In diagnosis of mitral stenosis. 93(6):99
• In diagnosis of mitral valve prolapse. 93(6):64
ELDERLY: See Aging
EMERGENCY MEDICINE
• Cardiopulmonary resuscitation, new and controversial techniques. 93(8):235*
• Cervical spine radiography after blunt trauma, factors in decision making. 93(4):205*
• Hypertensive emergencies, treatment by gradually reducing blood pressure and treating organ damage. 93(2):92*
ENDOCRINE DISORDERS
• Addison's disease, diagnosis and treatment, with discussion of adrenal function studies. 93(4):265*
• Cause of impotence. 93(3):66
• Diabetes: See Diabetes
• Hypothyroidism, evaluation and management. 93(6):135*
• Insulin resistance, associated chronic medical disorders. 93(7):99*
• Secondary hyperaldosteronism, significance in congestive heart failure and potential benefits of antialdosterone therapy. 93(5):203*
• Testosterone deficiency, cause of osteoporosis in men. 93(8):63
• Thyroid hormone therapy, appropriate and inappropriate use. 93(1):249*
ENDOSCOPY
• Endoscopic therapy for bleeding peptic ulcer. 93(4):170
ENVIRONMENTAL HAZARDS
• Causes of squamous cell carcinoma. 93(8):116
• Lead poisoning in children. (PN) 93(7):151
• Methanol intoxication, clinical presentation, treatment considerations. 93(8):183*
• Sun damage to skin, preventing photoaging. 93(8):74*
EQUIPMENT
• Spirometers in primary care, guide to technique and interpretation of results. 93(5):122*
EXERCISE
• Walking for health. (PN) 93(6):199

FRACTURES
• Osteoporotic, in men, prevention. 93(8):60

GAIT
• Disorders in elderly, age-related changes leading to ambulation problems. 93(6):185*
GALLBLADDER DISEASES
• Biliary tract obstruction, identification and treatment of common causes. 93(4):113*
• Gallstones, symptomatic, medical management options. 93(1):183*
GAMBLING
• Pathological, identification and treatment. 93(5):169
GASTROINTESTINAL DISEASES
• Abnormal liver enzyme levels, causes, identifying source. 93(2):113*
• Abnormal liver enzyme levels, clinical evaluation in asymptomatic patients. 93(2):119*
• Achalasia, diagnostic and therapeutic methods. 93(5):249*
• Biliary tract obstruction, identification and treatment of common causes. 93(4):113*
• Bleeding caused by aortoenteric fistulas, identification and treatment. 93(8):211*
• Effects of AIDS, evaluation and treatment. 93(2):143*
• Enterococcal infections, threat of nosocomial spread and drug resistance. 93(3):121*
• Esophageal complaints in AIDS patient, evaluation and treatment. 93(2):147
• Gallstones, symptomatic, medical management options. 93(1):183*
• Hemorrhage from peptic ulcers, restoring hemostasis and preventing recurrence. 93(4):167*
• Milk-alkali syndrome, consequence of chronic antacid abuse. (CR) 93(6):149
• Peptic ulcer disease, uncomplicated, overview of treatment principles. 93(4):126*
• Refractory peptic lesions, therapeutic strategies for ulcers and reflux esophagitis that resist standard treatment. 93(4):143*
GENETIC DISORDERS: See Hereditary diseases
GENITAL DISEASES
• Abnormal uterine bleeding, finding and treating cause. 93(2):73*
• Cervical cancer, update on screening methods. 93(2):57*
• Herpes simplex virus. (PN) 93(4):311
• Impotence, major causes, therapeutic options. 93(3):65*
• Pelvic inflammatory disease, diagnostic criteria and treatment guidelines. 93(2):85*
• Vulvar diseases and vaginal problems in women after age 75. 93(5):268
GERIATRICS: See Aging
GOVERNMENT AGENCIES
• Appeals to OSHA—preview to increasing regulation. (ED) 93(2):21
• OSHA and incredible claims. (ED) 93(8):21

HEADACHE
• Office management using pharmacotherapy and nondrug treatment strategies. 93(1):223*
HEALTH POLICY
• Healthcare reform and the key players. (ED) 93(4):19

• Hillary Clinton and healthcare reform. (ED) 93(3):13
• President Clinton's new health team. (ED) 93(1):25
• Problems with leaving physicians out of planning healthcare reform. (ED) 93(6):21
• Washington arrogance and healthcare reform. (ED) 93(7):13

HEMATOLOGIC DISEASES
• Acute hemolytic transfusion reaction and crises in sickle cell disease, emergency treatment measures. 93(5):183*
• Disseminated intravascular coagulopathy, emergency management. 93(5):194
• Hyperleukocytic syndrome, emergency management. 93(5):193
• Iron deficiency anemia, problem areas in diagnosis and treatment. 93(4):181*
• Thrombotic thrombocytopenic purpura, emergency management. 93(5):198

HEMORRHAGE
• Abnormal uterine bleeding, finding and treating cause. 93(2):73*
• Acute bleeding from peptic ulcers, restoring hemostasis and preventing recurrence. 93(4):167*
• Gastrointestinal bleeding caused by aortoenteric fistulas, identification and treatment. 93(8):211*

HEREDITARY DISEASES
• Sickle cell disease, major crises, emergency treatment measures. 93(5):186

HISTORY TAKING
• Of HIV-infected patients, checklist. 93(4):101

HORMONES
• Estrogen in treatment of osteoporosis. 93(8):53
• Testosterone replacement therapy for men with hypothalamic hypogonadism. 93(8):65

HYPERGLYCEMIA
• Caused by certain drugs. 93(3):136

HYPERTENSION: See Cardiovascular diseases

HYPOGLYCEMIA
• Caused by alcohol and other drugs in diabetic patients. 93(3):132

HYPOTHYROIDISM
• Evaluation and management. 93(6):135*

IMMUNIZATION
• Recommended vaccines for HIV-infected patients. 93(4):107
• Vaccines against certain types of meningitis. 93(1):111

IMMUNOLOGIC DISEASES
• HIV-related rheumatic syndromes. 93(8):143*

IMMUNOTHERAPY
• For severe symptoms of allergic rhinitis. 93(6):131
• Insect venom, efficacy for insect sting allergy. 93(8):204

IMPOTENCE
• Major causes, therapeutic options. 93(3):65*

INCONTINENCE
• In women. (PN) 93(2):227
• Stress, in women after age 75, evaluation and treatment. 93(5):264

INFECTION
• Acute interstitial nephritis, diagnosis and treatment. 93(5):105*
• Ascariasis, recognition and treatment. 93(1):171*
• Aseptic meningitis, differential diagnosis, early exclusion of treatable causes. 93(8):155
• Atypical pneumonias, clinical features, diagnosis and therapy. 93(7):69*
• Bacterial, of skin, diagnostic clues and therapeutic options. 93(6):175*
• Bacterial pneumonia, problems in diagnosis and treatment. 93(7):43*
• Endocarditis, changing trends in epidemiology, current diagnostic techniques and treatment regimens. 93(5):235*
• Enterococcal, threat of nosocomial spread and drug resistance. 93(3):121*
• Gastrointestinal, in AIDS patient, evaluation and treatment. 93(2):143
• Herpes simplex virus. (PN) 93(4):311
• Human immunodeficiency virus and arthropathy. 93(8):143*
• Human immunodeficiency virus in patients, checklist for evaluation. 93(4):101*
• Meningitis, adult, guide to identification and treatment. 93(1):99*
• Nursing home-acquired, ways to eliminate inappropriate use of antibiotics. 93(8):173*
• Otitis media in children, rationale for medical and for surgical treatment. 93(5):153*
• Pelvic inflammatory disease, diagnostic criteria and treatment guidelines. 93(2):85*
• Pharyngitis in children, diagnosis and treatment. 93(3):141*
• Prostatitis, recognition and management. 93(7):88
• Respiratory syncytial virus (RSV), current perspectives on treatment. 93(1):129*
• Sinusitis, treatment; diagnosis and treatment of potential serious complications. 93(1):115*
• Tuberculosis, guidelines for screening, detection, and treatment. 93(3):46*
• Urinary tract, update on management. 93(5):71*
• Viral pneumonias, advances in diagnosis and treatment. 93(7):57*

INJURIES: See Trauma

INSOMNIA
• Assessment and treatment using "decision tree." 93(1):66*
• In elderly, multidimensional treatment approach. 93(4):288

INSULIN
• Resistance, associated chronic medical disorders. 93(7):99*

JOINTS
• Osteoarthritis, treatment update. 93(1):89*

KIDNEY DISEASES
• Acute interstitial nephritis, diagnosis and treatment. 93(5):105*
• Damage from hypertensive emergency. 93(2):104
• Diabetic nephropathy, preserving kidney function. 93(5):89*
• Renal failure brought on by milk-alkali syndrome, case caused by chronic antacid abuse. (CR) 93(6):150

KNEE INJURIES
• Evaluation, diagnosis of more common injuries. 93(3):75*

LABORATORY INVESTIGATION
• Baseline evaluations key part of initial evaluation of HIV-infected patients. 93(4):103
• CSF findings in viral meningitis. 93(8):154
• Establishing diagnosis of respiratory syncytial virus (RSV) infection. 93(1):131
• In diagnosing and assessing aortic regurgitation. 93(6):83
• In diagnosis of infectious endocarditis. 93(5):237
• In diagnosis of viral pneumonia. 93(7):59
• In patients with rheumatic mitral stenosis. 93(6):99
• Liver enzyme levels, causes of abnormal findings, identifying source. 93(2):113*
• Tests for suspected food allergy. 93(2):193

LEAD POISONING
• In children. (PN) 93(7):151

LIVER DISEASES
• Abnormal enzyme levels, causes, identifying source. 93(2):113*
• Abnormal enzyme levels, clinical evaluation in asymptomatic patients. 93(2):119*
• Abnormal function in AIDS patient, evaluation and treatment. 93(2):148

LUNG DISEASES
• Atypical pneumonias, clinical features, diagnosis and treatment. 93(7):69*
• Bacterial pneumonia, problems in diagnosis and treatment. 93(7):43*
• Pigeon-breeder's lung, clinical features, diagnosis, and management. (CR) 93(4):215*
• Pulmonary edema, distinguishing cardiogenic and noncardiogenic types, diagnosis and treatment. 93(6):161*
• Pulmonary manifestations of rheumatic disease, diagnostic features and treatment. 93(1):149*
• Spirometry in primary care, guide to technique and interpretation of results. 93(5):122*
• Viral pneumonias, advances in diagnosis and treatment. 93(7):57*
• Wegener's granulomatosis, case diagnosed by open lung biopsy. (CR) 93(1):213

MENINGITIS
• Adult, guide to identification and treatment. 93(1):99*
• Viral, diagnosing treatable causes. 93(8):153*

METABOLIC DISEASES
• Disorders of water and sodium balance, calculating patient's requirements, treating imbalances. 93(4):227*

MOUTH DISEASES
• Guide to examination of oral cavity. 93(7):109*

MUSCULOSKELETAL DISORDERS
• Acute knee injuries, evaluation, diagnosis of more common injuries. 93(3):75*
• Ankle injuries, evaluation and management tips from sports medicine physicians. 93(3):91*
• Gait disorders, age-related changes leading to ambulation problems. 93(6):185*
• Osteoporosis in men, causal factors, treatment regimens. 93(8):59*
• Primary osteoporosis, evaluation and treatment, prevention. 93(8):43*
• Rhabdomyolysis after doxylamine overdose. (CR) 93(8):227

NEOPLASMS
• Actinic keratoses, precursor to squamous cell carcinoma. 93(8):125

continued

• Basal cell carcinoma, diagnosis and management. 93(8):101*
• Cancer patients and thromboembolic disease. 93(8):131*
• Cervical cancer screening, update on methods. 93(2):57*
• Malignant, cause of biliary tract obstruction. 93(4):116
• Ovarian and endometrial cancer, protective effects of oral contraceptives. 93(1):193
• Squamous cell carcinoma of skin, causes, risk factors, and treatment choices. 93(8):115*

NEUROLOGIC MANIFESTATIONS
• Adult meningitis, guide to identification and treatment. 93(1):99*
• Age-related gait changes leading to ambulation problems, common gait disorders. 93(6):185*
• Central nervous system symptoms of methanol intoxication. 93(6):183
• Complications of acute sinusitis. 93(1):116
• Factors to consider in ordering cervical spine radiography after blunt trauma. 93(4):205*
• Headache: See Headache
• Meningitis, viral, diagnosing treatable causes. 93(8):153*

NURSING HOMES
• High rates of infection, ways to eliminate inappropriate use of antibiotics. 93(8):173*

NUTRITION
• Calcium supplementation in treatment and prevention of osteoporosis. 93(8):49
• Dehydration, palliative, in terminally ill patients, potential benefits. 93(1):201*
• Food allergy, symptoms, evaluation and diagnosis, preventive and treatment measures. 93(2):191*
• Iron deficiency anemia, problem areas in diagnosis, treatment with oral iron therapy. 93(4):181*
• Obesity, weight loss regimen with active physician participation for greater chances for success. 93(2):155*
• Sensible recommendations for weight loss by obese patients with hypertension. 93(4):195
• Weight reduction services. 93(2):160
• Yo-yo dieting. (PN) 93(1):281

OBESITY
• Controlling hypertension with weight loss and pharmacotherapy. 93(4):193*
• Management, with active physician participation in weight loss regimen. 93(2):155*

OBSTETRICS/GYNECOLOGY
• Abnormal uterine bleeding, finding and treating the cause. 93(2):73*
• Cervical cancer, update on screening methods. 93(2):57*
• Common gynecologic problems after age 75, management with compassion and understanding. 93(5):263*
• Menstrual blood loss, excessive, link to iron deficiency anemia. 93(4):186
• Oral contraceptives, noncontraceptive benefits. 93(1):193
• Pelvic inflammatory disease, diagnostic criteria and treatment guidelines. 93(2):85*
• Postmenopausal versus age-related osteoporosis. 93(8):45
• Postpartum mood disorders, recognition, prevention, and management. 93(3):103*
• Pregnancy in women with aortic valve stenosis, special considerations. 93(6):118

OCCUPATIONAL DISEASES
• Pigeon-breeder's lung, clinical features, diagnosis, and management. (CR) 93(4):215

ONCOLOGIC DISEASES: See Neoplasms

ORAL HEALTH
• Guide to examination of oral cavity. 93(7):109*

OSTEOPOROSIS
• Evaluation and treatment, preventive methods. 93(8):43*
• In men, causal factors, treatment regimens. 93(8):59*

OTORHINOLARYNGOLOGIC DISEASES
• Allergic rhinitis, comprehensive treatment plan. 93(6):124*
• Otitis media in children, rationale for medical and for surgical treatment. 93(5):153*

PAIN
• Headache: See Headache
• Nonsteroidal anti-inflammatory drugs (NSAIDs), tailoring therapy for best results and less toxicity. 93(4):73*
• Postoperative, pharmacologic treatment. 93(2):173*

PARASITIC DISEASES
• Ascariasis, recognition and treatment. 93(1):171*

PATIENT EDUCATION
• Acne. (PN) 93(5):286
• Component of headache therapy. 93(1):239
• Herpes simplex virus. (PN) 93(4):311
• Incontinence in women. (PN) 93(2):227
• Lead poisoning in children. (PN) 93(7):151
• Seat belts and child safety seats. (PN) 93(3):159
• Walking for health. (PN) 93(6):199
• Wrinkles. (PN) 93(8):265
• Yo-yo dieting. (PN) 93(1):281

PEDIATRICS
• Aortic valve stenosis in children, management. 93(6):107*
• Infant characteristics, link to mother's postpartum mood disorders. 93(3):109
• Lead poisoning. (PN) 93(7):151
• Otitis media in children, rationale for medical and for surgical treatment. 93(5):153*
• Pharyngitis, diagnosis and treatment. 93(3):141*
• Respiratory syncytial virus (RSV) infection, current perspectives on treatment. 93(1):129*
• School clinics, sex education or encouragement, searching for the right answers. (ED) 93(5):21
• Tuberculosis, diagnosis and treatment. 93(3):53*
• Viral meningitis, diagnosing treatable causes. 93(8):153*

PHARYNGEAL DISEASES
• Strep infections in children, diagnosis and treatment. 93(3):141*

PHYSICAL EXAMINATION
• Oral cavity, guidelines for comprehensive evaluation. 93(7):109*

PNEUMONIA
• Atypical, three most common, clinical features, diagnosis and therapy. 93(7):69*
• Bacterial, problems in diagnosis and treatment. 93(7):43*
• Viral, advances in diagnosis and treatment. 93(7):57*

POISONING
• Doxylamine overdose followed by severe rhabdomyolysis. (CR) 93(8):227
• Lead, in children. (PN) 93(7):151
• Methanol intoxication, clinical presentation, treatment considerations. 93(8):183*

PREGNANCY: See Obstetrics/Gynecology

PREVENTIVE MEDICINE
• Combating bone loss that accompanies aging. 93(8):46
• Preventive management of insect sting allergy. 93(8):204
• Prophylaxis for tuberculosis, halting progression from asymptomatic to active disease. 93(3):46*
• Walking for health. (PN) 93(6):199
• Ways to prevent postpartum mood disorders. 93(3):114

PROSTATIC DISEASES
• Benign prostatic hyperplasia and common types of prostatitis, recognition and management. 93(7):84*

PSYCHIATRIC/PSYCHOSOCIAL DISORDERS
• Alcoholism in elderly, ways to increase early detection. 93(2):203*
• Doxylamine overdose followed by severe rhabdomyolysis. (CR) 93(8):227
• Insomnia, assessment and treatment using "decision tree." 93(1):66*
• Pathological gamblers, identification and treatment. 93(5):169*
• Postpartum mood disorders, recognition, prevention, and management. 93(3):103*
• Psychiatric disorders in elderly, risk for drug interactions. 93(4):281*
• Psychological factors in impotence. 93(3):66

PUBLIC HEALTH
• Re-emergence of tuberculosis, targeted for eradication in the United States by 2010. 93(3):46*
• Seat belts and child safety seats. (PN) 93(3):159

RADIOGRAPHY
• Cervical spine, after blunt trauma, factors to consider. 93(4):205*
• Chest, in diagnosis of pulmonary edema. 93(6):161
• In diagnosing knee injuries. 93(3):82

RADIOTHERPY
• For basal cell carcinoma. 93(8):106

REHABILITATION
• Cardiac, after coronary artery bypass graft surgery. 93(4):255

RENAL DISEASES: See Kidney diseases

RESPIRATORY DISEASES
• Acute sinusitis, treatment; diagnosis and treatment of potential serious complications. 93(1):115*
• Atypical pneumonias, clinical features, diagnosis and treatment. 93(7):69*
• Bacterial pneumonia, problems in diagnosis and treatment. 93(7):43*
• Pulmonary edema, detection and management. 93(6):161*
• Pulmonary function testing using spirometry, guide to technique and interpretation of results. 93(5):122*
• Respiratory syncytial virus (RSV) infection, current treatment perspectives. 93(1):129*
• Tuberculosis, guidelines for screening, detection, and treatment. 93(3):46*

• Viral pneumonias, advances in diagnosis and treatment. 93(7):57*

RESUSCITATION
• Cardiopulmonary, new and controversial techniques. 93(8):235*

RHEUMATIC DISEASES
• HIV-related rheumatic syndromes. 93(8):143*
• Osteoarthritis, treatment update. 93(1):89*
• Pulmonary manifestations, diagnostic features and appropriate treatment. 93(1):149*
• Rheumatic mitral stenosis, increasing incidence, diagnostic procedures, medical and surgical goals of management. 93(6):93*
• Treatment with nonsteroidal anti-inflammatory drugs (NSAIDs), strengths and weaknesses of various agents. 93(4):73*
• Update on drug treatment. 93(7):129*

SAFETY: See Accident prevention

SCHOOL HEALTH SERVICES
• School clinics, sex education or encouragement, searching for the right answers. (ED) 93(5):21

SCREENING
• For cervical cancer, update on methods. 93(2):57*
• For tuberculosis. 93(3):46

SEX EDUCATION
• Adolescents, do school clinics help with sex education or do they encourage sexual activity? (ED) 93(5):21

SEXUALLY TRANSMITTED DISEASES
• In adolescents, prevention through providing condoms or promoting abstinence—searching for the right answers. (ED) 93(5):21

SINUSITIS
• Antibiotics in treatment, potential serious complications and their diagnosis and treatment. 93(1):115*

SKIN DISEASES
• Acne. (PN) 93(5):286
• Basal cell carcinoma, diagnosis and management. 93(8):101*
• Common bacterial infections, diagnostic clues and therapeutic options. 93(6):175*
• Herpes simplex virus. (PN) 93(4):311
• Perioral dermatitis caused by inappropriate use of topical corticosteroids. (CR) 93(5):225
• Photoaging and wrinkles. (PN) 93(8):265
• Photoaging—cosmetic effects of sun damage. 93(8):74*
• Squamous cell carcinoma, causes, risk factors, and treatment choices. 93(8):115*

SLEEP DISORDERS
• Insomnia, assessment and treatment using "decision tree." 93(1):66*

SODIUM
• Imbalance, diagnosis and treatment. 93(4):243

SPORTS MEDICINE
• Perspective on ankle injuries. 93(3):91*

SUNSCREENING AGENTS
• In preventing acute and chronic solar damage to skin. 93(8):86

SURGERY
• Aortic valve replacement for adults with aortic valve stenosis. 93(6):118
• Coronary artery bypass graft, follow-up tips for primary care physicians. 93(4):249*
• Cryosurgery for basal cell carcinoma. 93(8):106
• Joint replacement in treatment of osteoarthritis. 93(1):92
• Moh's surgery for basal cell carcinoma. 93(8):106
• Open aortic valve commissurotomy for children with aortic valve stenosis. 93(6):118
• Postoperative pain, pharmacologic treatment. 93(2):173*
• Vagotomy and antrectomy for refractory peptic ulcer disease. 93(4):153

TECHNOLOGY, MEDICAL
• Spirometry in primary care, guide to technique and interpretation of results. 93(5):122*

TERMINAL CARE
• Theories on dehydration enhancing comfort in terminally ill. 93(1):201*

THERAPEUTICS
• Extracorporeal shock wave lithotripsy for treatment of symptomatic gallstones. 93(1):186
• Options for treating impotence. 93(3):71
• Oral dissolution therapy for symptomatic gallstones. 93(1):183
• Palliative treatment of achalasia. 93(5):255

THYROID DISEASES
• Hypothyroidism, evaluation and management. 93(6):135*
• Thyroid hormone therapy, determining appropriate usage. 93(1):249*

THYROID FUNCTION TESTS
• For evaluating hypothyroidism, description and approximate cost. 93(6):135
• High-sensitivity TSH test in determining appropriate thyroid hormone therapy. 93(1):249

TRAUMA
• Acute knee injuries, evaluation. 93(3):75*
• Ankle injuries, evaluation and management tips from sports medicine physicians. 93(3):91*
• Blunt, is cervical spine radiography needed? 93(4):205*

TUBERCULOSIS
• Current guidelines for screening, detection, and treatment. 93(3):46*

ULCER
• Peptic, hemorrhage from, restoring hemostasis and preventing recurrence. 93(4):167*
• Peptic, refractory, therapeutic strategies. 93(4):143*
• Peptic, uncomplicated, overview of treatment principles. 93(4):126*

URINARY TRACT DISORDERS
• Infection, update on management. 93(5):71*

UROLOGIC DISEASES
• Benign prostatic disease, recognition and management. 93(7):84*
• Impotence, major causes, therapeutic options. 93(3):65*
• Incontinence in women. (PN) 93(2):227
• Stress incontinence in women after age 75, evaluation and treatment. 93(5):264

VASCULAR DISEASES: See Cardiovascular diseases

VIRAL DISEASES
• Herpes simplex virus. (PN) 93(4):311
• Human immunodeficiency virus (HIV)-infected patients, checklist for evaluation. 93(4):101*
• Meningitis, diagnosing treatable causes. 93(8):153*
• Pneumonias, types in adults and children, recommendations on diagnostic tests and antiviral therapy. 93(7):57*
• Respiratory syncytial virus (RSV) infection, current perspectives on treatment. 93(1):129*

WATER-ELECTROLYTE BALANCE
• Disorders of water and sodium balance, calculating patient's requirements, treating imbalances. 93(4):227*
